---

Acceptance of Terms. Using the product, You agree to be bound by the terms of the license. There are no refunds with this product, as stated down below.

This is an agreement between YOU and Fuel, by signing this license with your full legal name you agree that you are the only one who can possess this bot and the only one who can hold ownership of the bot. The term "bot" used above is referring to software products/digital goods.

Using the product, you automatically agree to follow the terms set by Fuel Development. Failure to do so may result in a blacklist from all items and possibly legal action, as well as forbidding any future requests. Remember, there are NO REFUNDS on any product unless a major issue is found within multiple clients.

Breaching the terms listed down-below is not permitted, doing so will result in termination of services from Fuel Development and legal action on all products purchased.

These are all custom bots done by Fuel Development, do not try and claim any of the code from Fuel Development as your own code.

Do not try and redistribute my bots without approval from myself (FUEL)

ONCE YOU PAY ALL SALES ARE FINAL! Absolutely NO REFUNDS.

You will not chargeback, dispute, claim, or reverse any payments unless you qualify under Paypal's Purchase Protection Program. If you do so wrongly, you must pay all fees charged against Fuel Development, You will be blacklisted from Fuel Development and you will be banned from the discord server and possibly legal action.

You are not entitled to a refund at any time unless you qualify under Paypal's Purchase Protection Program.

Changing the credits in the bot will result in blacklist from purchasing any items and possibly a ban. Incase you don't know what this means. In Example:Made by Fuel Development.

I am not responsible for any damage to the bot after the product is delivered. It is not my fault if you touch the code and mess it up.

Products are not to be used to harm, threaten, or destroy any person, organization, or entity.

Fuel Development reserves the right to deny service & goods to anyone.

Bots cannot be uploaded publicly on websites such as top.gg,discordboats,github etc. If I see any of my personal bots/source code released onto any websites/discords you will be blacklisted from purchasing any item from me and legal action will be taken.

You can not modify our products/modifications without direct written permission from Fuel#2649 (Written Permission will be written in direct messages on a software called Discord)

You are not allowed to ask, receive, or distribute our products on any website, chat room, game servers, or voice servers.

You are not permitted to purchase on behalf of another person or party.
